

Jordan William Green  
**Grad year: SPA 2005**

Jordan William Green first became involved in SPA in elementary school, and while he missed a few years here and there, he became heavily involved in high school on the technical side. After graduating from SPA, he became technical staff for SPA for three years, working with lighting and set as well as the occasional video.

In 2006, Jordan began attending Concordia College, where he is majoring in Theatre Art with an emphasis in Lighting Design. His theatre experience at Concordia College includes Master Electrician for *Quilters*, *The Trestle at Pope Lick Creek*, and *Cabaret* in 2008, Projection Design for *The Heidi Chronicles*, and Sound Design for *The Madwoman of Chaillot* among various other crew responsibilities. He is also Student Manager for Concordia's Campus Lights where he has worked as an associate Master Electrician on the Concordia Christmas Concerts *Come to the Living Water* and *Savior of the Nation - Come*.

This summer Jordan is the Lighting Designer and Assistant Technical Director for the youth theatre program Gooseberry Park Players in Moorhead, MN, which is producing the United States Regional Premier of *Pinafore Pirates* by Malcolm Sircom.
