Jessica Vidden

(RR Grad '01)

Jessica Vidden graduated from Red River High school in 2001. She graduated from UND in 2005 with a degree in Theatre design and technology- with attention in lighting design. She worked for SPA as a teacher, mentor, video editing and tech work from 2000-2005. While attending UND she was the Master Electrician for Burtness Theatre, the theatre department and the music department. She also completed several designs. After graduation she began in internship at the Kalamazoo Civic Theatre in Kalamazoo, MI. Which include: doing 6 designs for their 17 show season and as an acting master electrician. Jessica was offered the position of Master Electrician in February of her internship and began in that position in June of 2006. During this time she also did freelance lighting design work for Kalamazoo Civic Theatre (Kalamazoo, mi), Center Stage Theatre (Comstock, MI), and Loy Norris High School (Portage, MI). In August 2007, she was offered the assistant electrician position for the International Tour of RENT. She has since toured with the National tour of Sweeny Todd (fall '08) and International Tour of Annie ('08-'09). She has toured all over the United States, Canada, and Japan.
