## A SPA Tradition

Following tonight's curtain call, there will be a final musical number. The rest of the students in the Summer Performing Arts Company will join the cast to perform "I Sing the Body Electric." This symbolic song ties the entire program together. It has different meanings to different students, but a common theme can be found in the literal text. The students are celebrating not only the arts, but their growth in the arts yet to come. They will go on to create their own tomorrow as they continue in theatre over the next few years.

This year, we create a new tradition with the addition of the new Middle School SPA program. Matt Paulson and Candice Morgan are this year's soloists.

*"And in time we will all be stars."*
