Middle School SPA is designed for students that have completed grades 6 and 7. It's a four-week, workshop-style program in drama, movement, and vocal music. This program is designed to promote a greater awareness of the performing arts, and enrich creativity among the students. This is a terrific opportunity to experience music, drama, and dance outside of a production. No experience is necessary! The program focuses on workshop-style training. This program ends in a show-and-tell performance.

Registration is online via MySchoolBucks for GFPS families. Alternative registration for non-district families. Financial assistance is available. See website for details.
