SPA COMPANY

JOSEPH DIRECTOR'S NOTES

It's back! For the first time since 2006, the Summer Performing Arts Company is proud to present "Joseph and the Amazing Technicolor Dreamcoat!"

A beloved musical by Andrew Lloyd Webber and Tim Rice, "Joseph" is a vibrant tapestry of storytelling, music, and spectacle that continues to captivate audiences worldwide. Set against the backdrop of the biblical tale of Joseph from the Book of Genesis, the musical brings to life the journey of a young dreamer whose colorful coat sparks jealousy among his brothers. At its core, "Joseph" is a celebration of resilience, faith, and the power of dreams. Through a diverse array of musical styles ranging from rock and pop to country and calypso, the score not only entertains but also weaves a narrative that transcends time and resonates with audiences of all ages.

As if there were any doubt, SPA has once again delivered another inspiring summer. From the cast and crew, to the office staff and beyond, thank you so much for all your hard work and dedication to bringing yet another fantastic production to life. To all the family and friends in the audience, thank you for encouraging and supporting your student's involvement in this wonderful program. Their positive energy is infectious, and it constantly reminds us all what SPA is supposed to be – fun. We hope you will have fun and see that energy during the performance!

Without further ado, please sit back and enjoy the return of "Joseph and the Amazing Technicolor Dreamcoat" to the summer stage!
