A SPA Tradition

Following tonight's curtain call, there will be a final musical number. The rest of the students in the Summer Performing Arts Company will join the cast to perform "I Sing the Body Electric." This symbolic song ties the entire program together. It has different meanings to different students, but a common theme can be found in the literal text. The students are celebrating not only the arts, but their growth in the arts yet to come. They will go on to create their own tomorrows as they continue in theatre over the next few years. The song also symbolizes the passing of a class. This is the last summer program in which the class of 1999 will be able to participate. This "passing of the tradition" is represented by the two soloists selected to sing. Matt Luney, a senior, will sing the first verse then turn the spotlight over to eighth-grader Maren Tunseth.

How do Your Donations Help?

The Summer Performing Arts Company is a program designed to have something for everyone. Every year the number of students enrolled in SPA has increased, and the size of the program grows to fit these numbers. Continual growth has many benefits, but it also brings many more expenses. That's why donations are such a key element of the SPA program.

Donations are used for many aspects of SPA. A scholarship fund has been established in order to help families with financial needs. We want to make sure that no student is ever turned away due to financial concerns. Donations also provide opportunities for students to work with guest performers. This year we welcomed Sue Anderson and Dean and Cyndee Brown, who offered their creative dramatic assistance to the students.

SPA is an educational program that channels the energy of students into positive creativity and teamwork. These aspects, with a greater appreciation for the arts, help shape students into more active members of the Grand Forks community. At the same time, SPA provides entertainment to the area every summer.

**Remember, any donation will help!
Be a part of the SPA magic!**
