**DIRECTORS NOTES**

*Carousel* came to Broadway in 1945. It is the second musical by the Rodgers and Hammerstein team. Their first work was *Oklahoma* in 1942. *Carousel* was adapted from a play called *Liliom* written in 1909 by Hungarian playwright Ferenc Molnar. Giacomo Puccini wanted to make an opera out of the story but Molnar was not willing to let him have the story. He gave the rights to Rodgers and Hammerstein. They changed the Budapest setting to the Maine coastline and set the story to some of their most beautiful music.

*Carousel* is significant in the development of Musical Theater as an American art form. In an era where main characters were heroic and admirable, we have Billy Bigelow. He is abusive to his wife, he involves himself in a robbery to help support his wife, and he doesn’t live “happily ever after”. There is more opera in *Carousel* than in any other show of that era. The show starts with a scene that is all music and dance, then moves to a scene by a park bench that is nearly 15 minutes of singing. There is also a ballet in act two, and the original pit orchestra was so large that they removed seats from the Majestic theater in order to make room for them.

Forgiveness and grace resonate through this beautiful story. The timing of the opening ended up to be right at the end of World War Two. Many Americans had suffered great loss, and the idea of the dead being so near to us touched a chord in their lives. “You’ll Never Walk Alone” became a popular theme of hope during a time in our country when that was truly a gift.

Time magazine named *Carousel* the best musical of the 20<sup>th</sup> Century. It is only fitting that *Carousel* be the show we chose for our 30<sup>th</sup> summer season.

**Connie Sherwood - Director**

NOTES FROM THE GFPS ADMINISTRATION

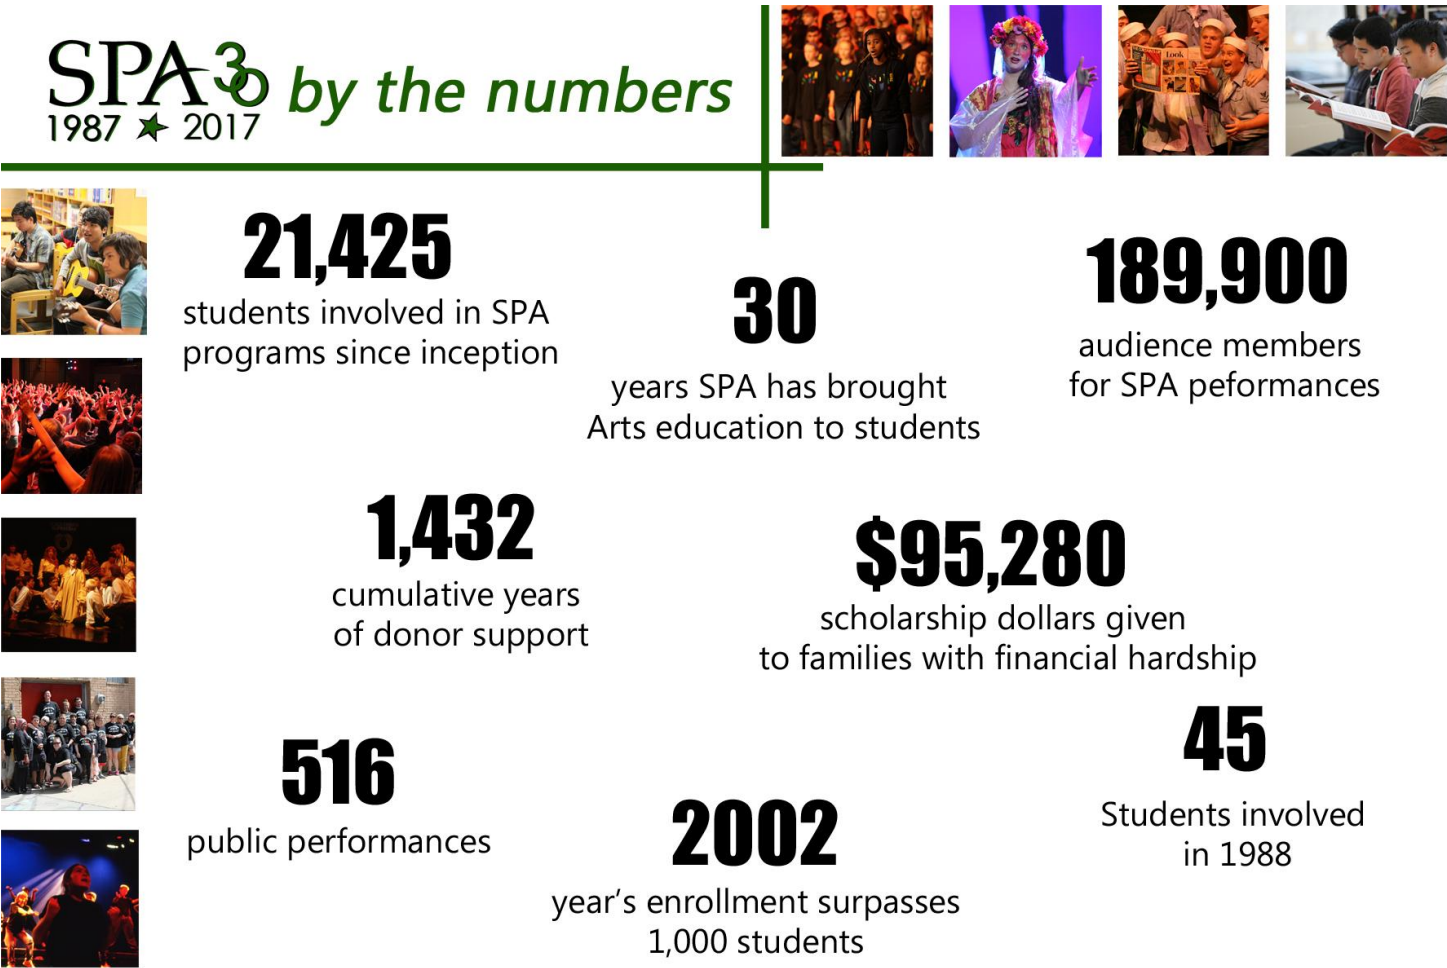

As SPA celebrates the 30th year of providing both educational and entertainment excellence, allow me to provide my highest commendation for this exceptional program. From my position as superintendent of Grand Forks Public Schools it has consistently been my observation that SPA stands out as an exceptional program which constantly delivers on the promise of our school district's mission statement, "...engage learners to develop their maximum potential...." Through participation in this quality educational program, our students are given the opportunity to develop knowledge, skills, and attitudes which will serve them well the rest of their lives. Our talented students, dedicated staff, committed leadership, and supportive volunteers and donors make this program a phenomenal success year after year. Thank you to our community for their continued remarkable support for our students' education and future!

Dr. Larry P. Nybladh, Superintendent of Schools

\*\*\*\*

Each year at the conclusion of the SPA season, the staff surveys students about what they liked, disliked, favorite activities, ideas for the future, and any general suggestions. It's always fun to read the comments from the 'Kids of Summer' as it provides a wonderful perspective about how they enjoyed their experiences. To quote one of those students regarding his/her overall experience, 'It was SPAmazing.' Hard to top that one! Best of luck to cast and crew as they prepare for SPA 2017.

Mr. Jody Thompson, Assistant Superintendent of Teaching and Learning

## NOTES FROM THE SPA ADMINISTRATION

The Kids of Summer are back for the 30th season! For 30 years students in the Grand Forks Public Schools and surrounding area have had summers filled with dance, drama, music, and wonderful performances. Over the last 30 years The Summer Performing Arts Company has provided thousands of students opportunities for personal growth and the “stretching” of their artistic muscles.

Much has changed in the last 30 years of SPA. 5 years ago the district invested in wonderful new performance spaces at Central and Red River. SPA has grown from a small group of students to over 1,300 in each of the last few seasons. Technology has changed how we do lights, sound, and just about every aspect of SPA.

While much has changed, the basic philosophy has stayed the same. The original team wanted to have a program with the following tenets: **1. Every student would have an opportunity to perform.** We would expand the number of shows to fit the number of interested performers. And unlike during the school year where some students that audition do not get into shows, everyone would have a part; **2. No student would ever be turned away due to financial concerns.** We would make sure there was a scholarship fund to help any student that wanted to participate and needed help to do so; and, **3. Students would have the opportunity to experience the best in dance, drama, and music.** We would make sure that SPA allowed both experienced and novice students to work with the very best performing arts educators in the region.

I am so proud to say that after 30 years, I still work with a program that has these guiding principles. Thank you to the Grand Forks Public Schools for supporting this program and allowing SPA to grow over the years. As I visit with directors of other summer programs from across the nation, they are amazed at what we do with the number of students from all levels.

SPA has truly become a gem for our community. Students have growth in self-esteem and self-confidence. They are leaders in our schools – and soon to be leaders in our community. SPA teaches the 3 C’s: Creativity, Cooperation, and Character. SPA represents the excellence in education that others talk about.

I want to personally thank all of the staff members that given of their time and talents over the summers – from those that help start this journey 30 years ago (and are still a part of the program!) and to all of those that have joined us along the way.

A program like SPA would not be a successful as it has been without the support of the community. I want to recognize and thank all the members of community that have helped SPA over the years. So much of what we do would not be possible without that support. Community supports help provide scholarship funds, guest artists, mentor programs, and many other elements that help to make SPA what it is today.

As we look ahead to the next 30 years we will continue to be guided by the same founding principles. SPA will continue to be a place for ALL students to experience the power and excitement of the performing arts.

As you watch today, look at the faces on stage and see the smiles and sparkles in their eyes. This is Arts Education at its' best. Thank you for attending this performance -- *and in time we will all be stars!*

*Dean Opp, SPA Administrative Director*

\*\*\*\*

The Summer Performing Arts Company is 30 years young!! It is hard to believe that a couple handfuls of students taking voice lessons back in the 80s would blossom into what we today call "SPA".

21,000+ students have participated over the past three decades. It has been a privilege and an honor to be a part of this excellent program. Thank you to the Grand Forks Public Schools for supporting these students and their endeavors in the Arts! Thank you to the Greater Grand Forks Community. You entrusted your children to this program and after this summer more than 190,000 of you will have attended a performance!

We continue to evolve and grow. Our most recent additions - Bands on the Red, MySPA, and EL SPA - have helped us gain national recognition. We are finalists in the 2017 National Arts and Humanities Youth Program Award for the second time. This recognition is broadly shared with everyone involved with the Summer Performing Arts Company.

*Brad Sherwood, Program Director*

## SPA Service-Learning Project 2017

In keeping with SPA's 2017 theme of "Respect," the high school students participated in a donation drive competition for the Community Violence Intervention Center (CVIC) this summer. Students were split into teams, and throughout the month of June, brought in a variety of items, such as toilet paper, children's toys, and craft kits. In total, 1,262 items were collected and donated to CVIC.

The top three teams that brought in the most items received prizes sponsored by Red Ray Lanes, Northern Air, and SPA parents. While the students certainly enjoyed the competitive aspect of the service project, they also grew more confident in their abilities to help others in their very own community. Thank you to all students, staff, and community members/businesses who made this donation drive such a success!

The SPA Program and its staff have been recognized for the following achievements:

- National Arts and Humanities Youth Program Award Top 50 Finalist (May 2017)
- C STAND Creative Artist of the Year, Yvonne Kalka for her work with MySPA (2016)

2016-2017 SPONSORSHIP

Donations are a key element of the SPA program and are used for many aspects of the program, including:

- Providing scholarships to students that demonstrate financial need.
- Bringing in guest artists to work directly with students.
- Providing positive, chaperoned activities for students during and after the SPA day as part of our Mentoring and Outreach Program.
- Defraying the costs of day-to-day expenditures and new technology.

Any donation to the SPA program directly benefits the students. Thank you for your support of SPA and of the Arts in Grand Forks!
