## MySPA Tradition

Actors, dancers, singers: a very close family  
We love to be together, to see what we can be  
It's so much fun to be on stage, no matter the  
condition  
Even old COVID can't get us down, it's a MySPA  
tradition

Some people ask:

Why do you dance? Why do you tell jokes?  
Why do you sing till your throat gives a croak?  
It may not make much sense to those  
Who don't get the addiction  
But we could stay and play all day  
It's a MySPA tradition

## MySPA Bunch

It's the story, of 12 teachers  
Who plan, and prep, and make things run  
For the students who come into our theater  
So we can all have fun

It's the story, of 21 students  
Who come to Central everyday  
We color, dance, and sing, all together  
And we just love to play

Now this one day when we've all invited you here  
To come and see what we all have done  
Now this group has somehow formed a family  
That's the way we all became the MySPA bunch  
The MySPA bunch  
The MySPA bunch  
That's the way we became the MySPA bunch
