SHOWS

PAINT YOUR WAGON

THE SHOW'S NOT OVER!!!

Following tonight's curtain call, there will be a final musical number. The cast will be joined by the rest of the students in the Summer Performing Arts Company to sing "I Sing the Body Electric." This song has come to be a tradition in the SPA program. It is a symbolic song that is able to tie the entire program together. The song has different meanings for different students, but there is a common theme that can be found in the literal text. The students are celebrating not only the arts, but their growth in the arts yet to come. They will go on to create their own tomorrow as they continue in musical theatre over the next few years.

The song also symbolizes the passing of a class. This is the last summer program in which the class of 1991 will be able to participate. This "passing of the tradition" is represented by the two soloists selected to sing. Craig Smyser, a senior, will sing the first verse then turn over the spotlight to Ryan Karels, a seventh grader.

"And in time we will all be stars."

PLEASE, NO FLASH PHOTOGRAPHY DURING THE PERFORMANCE!
