## ***THE ADDAMS FAMILY DIRECTOR'S NOTES***

Thank you for joining us for SPA's production of *The Addams Family*. The show is an absolute blast, with funny dialogue, catchy music, and fun characters to bring to life.

Every year we produce SPA shows, it is amazing how many people work hard to create the final product and help the students look incredible on stage. The directing team, tech team, costume crew, office and box office staff, Middle and Elementary SPA programs, and vocal coaches all work very hard making creative choices to help our students experience a fun summer and look good in this final product.

SPA also owes a massive thank you to Stefanie Gerhardson, a Theatre teacher at Minnesota State Community and Technical College in Fergus Falls, Minnesota. When Mrs. Gerhardson heard we were producing *The Addams Family*, she instantly offered to loan an entire U-Haul truck full of set pieces and props to SPA, free of charge. Thank you, Stefanie!

We are extremely proud of all the students involved in this production. Some are veteran performers; some are in their first show ever. But all of them have chosen to be involved in something during the summer. They've also chosen to allow themselves to be vulnerable by presenting something for a live audience, which requires courage and confidence. They're a very fun group, and we're extremely proud of each of them and their growth.

Thank you so much for choosing to attend this performance. The cast, crew, and staff hope you enjoy SPA's production of *The Addams Family*!

Rich McFarlane, Director

## **NOTES FROM THE SUPERINTENDENT**

Thank you for attending and supporting our Summer Performing Arts (SPA) program this year. The pandemic is in the rearview mirror and our performers, technicians and directors are full of pent up energy!

for the past thirty-five years, SPA has created pathways for students to find and live their passion. Many who are involved are multi-talented students who participate in additional co- and extra-curricular activities, and they well-represent themselves, their families and the school district. Several have gone on to perform on the national and international levels which defines an important cultural piece of the Grand Forks community. We are thrilled that SPA Director Allison Peterson continues to lead SPA today and into the future.

If you are a regular attendee, thank you for your commitment to our entire cast. If you are new to SPA, we hope your experience was uplifting and a reminder that our future is in good hands with those who work on stage and behind the scenes! Programs performing at the gold standard of SPA cannot be accomplished by talented teachers and students alone. It takes an entire community to support ongoing performances through sponsorship, attendance, and through in-kind contributions and I am most grateful, along with my colleagues, for SPA's reflection of the community's appreciation for the performing arts. For each of the performances this summer, I salute and congratulate all involved in the Summer Performing Arts Program!

Sincerely, Dr. Terry Brenner, Superintendent

## **NOTES FROM THE SPA DIRECTOR**

Thank you so much for taking time to attend today's performance. The students and staff have worked tirelessly on stage and behind the scenes to put together this production, and it always amazes me how much can be accomplished in a few weeks.

The High School SPA program is just one facet of a program that has over 950 students enrolled this summer. We've already had show and tell performances at our pre-k (at Red River) and elementary programs (at Discovery, Phoenix, and Sharon Lutheran Church), and our Middle School program concluded at the end of June in a fantastic performance that filled the South Middle School cafetorium. The SPA Bands On The Red program held their concerts at South and at the Myra Gazebo. July brings us a final elementary SPA session at Red River, and the MySPA program gets started as well with a performance at Central High School that will close out our 35th season at the end of July. You will see a glimpse of many of these fine arts activities at the conclusion of this performance in our "Body Electric" slideshow.

We can't do any of this without support. In this playbill you will find a list of our financial and in-kind supporters and also our grantors. But financial support is only a small portion of the support we receive. From word of mouth advertising to parent volunteers to prop and costume donations, we are ever grateful for everyone that comes together to make this program happen for our students. And we are grateful for you, the families and the patrons, that come to watch these students shine on the stage and excel behind the scenes. Thank you for coming!

Allison Peterson, SPA Director

## A SPA TRADITION

We would like to invite all SPA alumni and current SPA students of any age to the stage for the "Body Electric" for all performances of *The Addams Family*

ANDREW FOERSTER

ELIZA DODDS

Following tonight's curtain call, there will be a final musical number. The rest of the students in the summer performing arts company will join the cast to perform "I Sing the Body Electric." this song has closed all SPA performances for the past 34 years. This symbolic song ties the entire program together. It has different meanings to different students, but a common theme can be found in the literal text. The students are celebrating not only the arts, but their growth in the arts yet to come. They will go on to create their own tomorrows as they continue in music and theatre. The song also symbolizes the passing of a class. This is the last summer program in which the class of 2023 will be able to participate. This "passing of the tradition" is represented by the two soloists selected to sing. Eliza Dodds, a senior, will sing the first verse and then turn the spotlight over to ninth-grader, Andrew Foerster, a student new to the High School SPA company.

*"AND IN TIME WE WILL ALL BE STARS."*

### PAST "BODY ELECTRIC" SOLOISTS

1990	CRAIG SMYSER, RYAN KARELS	2006	JAMES FREESTONE, BEN SUN
