A SPA Tradition

Following tonight's curtain call, there will be a final musical number. The rest of the students in the Summer Performing Arts Company will join the cast to perform "I Sing the Body Electric." This symbolic song ties the entire program together. It has different meanings to different students, but a common theme can be found in the literal text. The students are celebrating not only the arts, but their growth in the arts yet to come. They will go on to create their own tomorrows as they continue in music and theatre. The song also symbolizes the passing of a class. This is the last summer program in which the class of 2003 will be able to participate. This "passing of the tradition" is represented by the two soloists selected to sing, Chase Burkhart, a senior, will sing the first verse then turn the spotlight over to Devin Levang, a student new to the SPA company.

"And in time we will all be stars."

DIRECTOR'S NOTES

Here we are...back at the Empire for another summer of laughter, comedy and sheer unbridled entertainment.

But enough about rehearsals.

Thank you to the cast and crews that put their hearts into working hard to create another wonderful summer. Special thanks to my wife, Rachel, and also to Karen Klamm for all of the help they put into this show.

On behalf of the cast and crews, thank you for supporting the SPA non-musical performance, and we hope you enjoy the show!

Tom Gillen

SUPERINTENDENT'S NOTES

SPA is an example of what makes Grand Forks a great place to grow and learn. It features opportunities for a variety of students, it is staffed by outstanding professionals, high expectations are present for each participant and the community support is exceptional. This is a formula for success...and that is what the students experience.

Over the years, the students and staff have developed "SPA traditions." All of us appreciate these defining activities. At the same time, SPA also captures our attention with fresh ideas and updates. This wonderful combination of tradition mixed with cutting edge programming provides the ingredients that make SPA the place to be... whether you are a student, staff, or community audience member.

Dr. Mark Sanford, Superintendent of Schools

There will be a 15 minute intermission.

Please...No flash pictures during the performance!

HOW DO YOUR DONATIONS HELP?

The Summer Performing Arts Company is a program designed to have something for everyone. Every year the number of students enrolled in SPA has increased, and the size of the program grows to fit these numbers. Continual growth has many benefits, but it also brings many more expenses. That's why donations are such a key element of the SPA program.

Donations are used for many aspects of SPA. A scholarship fund has been established in order to help families with financial needs. We want to make sure that no student is ever turned away due to financial concerns. Donations also provide opportunities for students to work with guest performers.

SPA is an educational program that channels the energy of students into positive creativity and teamwork. These aspects, with a greater appreciation for the arts, help shape students into more active members of the Grand Forks community. At the same time, SPA provides entertainment to the area every summer.
