HOW DO YOUR DONATIONS HELP?

The Summer Performing Arts Company is a program designed to have something for everyone. Every year the number of students enrolled in SPA has increased, and the size of the program grows to fit these numbers. Continual growth has many benefits, but it also brings many more expenses. That's why donations are such a key element of the SPA program.

Donations are used for many aspects of SPA. A scholarship fund has been established in order to help families with financial needs. We want to make sure that no student is ever turned away due to financial concerns. Donations also provide opportunities for students to work with guest performers.

SPA is an educational program that channels the energy of students into positive creativity and teamwork. These aspects, with a greater appreciation for the arts, help shape students into more active members of the Grand Forks community. At the same time, SPA provides entertainment to the area every summer.

Remember, any donation will help!

A SPA Tradition

Following tonight's curtain call, there will be a final musical number. The rest of the students in the Summer Performing Arts Company will join the cast to perform "I Sing the Body Electric." This symbolic song ties the entire program together. It has different meanings to different students, but a common theme can be found in the literal text. The students are celebrating not only the arts, but their growth in the arts yet to come. They will go on to create their own tomorrows as they continue in music and theatre. The song also symbolizes the passing of a class. This is the last summer program in which the class of 2003 will be able to participate. This "passing of the tradition" is represented by the two soloists selected to sing. Chase Burkhart, a senior, will sing the first verse then turn the spotlight over to Devin Levang, a student new to the SPA company.
"And in time we will all be stars."

DIRECTOR’S NOTES

ANNIE is a show that is dear to my heart. I am a part of the first generation that grew up listening to Andrea McArdle, the original Annie, on the Broadway recording of ANNIE. The music inspired me to dream about singing and dancing on Broadway someday. Since it’s opening in New York in 1977, ANNIE has become a worldwide phenomenon. There have been thousands of productions of ANNIE in hundreds of countries. It has launched the careers of many artists and inspired others to perform. I grew up on the spirit of ANNIE, and it is my greatest pleasure to pass this tradition on to you. ANNIE is not only a young girl that was idolized in a comic strip in the thirties and forties, but she represented a strength, courage, and optimism that the country so desperately needed during the Great Depression and WWII. Her optimism and her faith embody the hope that everyone needs in order to face adversity. This is why ANNIE lives on, and continues to ignite a light in every child that sees it. So, tonight I give you our production. And I only hope that our ANNIE inspires you to love and dream for years to come. Enjoy the show!

Thanks to : C & R Cleaners, Gene’s Classic Sounds, Burntess Theater, Italian Moon, SPA Technical Staff, Knight’s Formalwear, Nancy Marcotte, Central High School Administration & Staff, Todd Aleshire, Maria Williams, Emily Christenson, Tera Kilbride, Sarah Perry, Parents and Families of all our Actors, Dean Opp, Brad Sherwood, Kathy Fiedler, Duane & Linda Christenson, and to the cast of ANNIE; I am so proud of you! Break a Leg!

SUPERINTENDENT’S NOTES

SPA is an example of what makes Grand Forks a great place to grow and learn. It features opportunities for a variety of students, it is staffed by outstanding professionals, high expectations are present for each participant and the community support is exceptional. This is a formula for success...and that is what the students experience.

Over the years, the students and staff have developed “SPA traditions.” All of us appreciate these defining activities. At the same time, SPA also captures our attention with fresh ideas and updates. This wonderful combination of tradition mixed with cutting edge programming provides the ingredients that make SPA the place to be... whether you are a student, staff, or community audience member.

Dr. Mark Sanford, Superintendent of Schools
