

## Director's Notes

Anything Goes opened in New York City on November 21, 1934. This timeless classic is still enjoyed today for its wonderful Cole Porter Music. Anything Goes features Cole Porter classics such as; You're the Top, It's Delovely, I Get A Kick Out of You, and Let's Misbehave.

It has been a wonderful experience to watch these students of the 90's bring to life this music and this style of show from decades gone by.

*Brad Sherwood, Director*

## Superintendent's Notes

The Grand Forks Schools are proud of the growth in scope and quality that has marked Spa's development from the concept stage several years ago to the excellence demonstrated by the 1996 version.

SPA provides opportunities for students to challenge and extend themselves in an environment characterized by professional guidance and support. Inevitably they emerge from their SPA experience with increased confidence in their talents.

We greatly appreciate the community's support of SPA. Grand Forks Schools are great places to grow and learn because our community encourages programs like SPA.

*Dr. Mark Sanford, Superintendent, of Public Schools*

## A SPA Tradition

Following tonight's curtain call, there will be a final musical number. The rest of the students in the Summer Performing Arts Company will join the cast to perform "I Sing the Body Electric." This symbolic song ties the entire program together. It has different meanings to different students, but a common theme can be found in the literal text. The students are celebrating not only the arts, but their growth in the arts yet to come. They will go on to create their own tomorrow as they continue in theatre over the next few years. The song also symbolizes the passing of a class. This is the last summer program in which the class of 1997 will be able to participate. This "passing of the tradition" is represented by the two soloists selected to sing. Erik Hunter, a senior, will sing the first verse then turn the spotlight over to eighth-grader Casey Koop.

*"And in time we will all be stars."*
